A CHECK LIST OF EXPLICATION (1959)

This list has been compiled by the following committee: *Periodicals:* Arno L. Bader and Morris Greenhut (University of Michigan), Charles R. Dahlberg (Queens College), Vincent Freimarck (Harpur College, State University of New York), and Hugh L. Smith (Long Beach State College, California); *Books:* John Hamilton (University of Illinois); *Chairman:* Charles C. Walcutt (Queens College).

EXPLANATION

All items are for 1959 unless otherwise indicated. An asterisk (*) before the author's name indicates explication in the 1959 EXPLICATOR (Vol. XVII, Jan.-June—see Index for XVII; and Vol. XVIII, Oct.-Dec.—see the accompanying Index). The List covers explication of British and American writings; the committee has been careful to include only items of unquestioned explicatory merit and substance, but it has omitted nothing merely because it is brief or its subject may be of doubtful literary importance. When titles are not self-explanatory, the subject of explication is indicated in square brackets []. Periodical titles are abbreviated, as: *HR, Hudson Review; KR, Kenyon Review; MLR, Modern Language Review; SR, Sewanee Review; UKCR, University of Kansas City Review,* etc. Full bibliographical information for a book that is cited repeatedly is given for only the first entry.
